Eastern and Tech are to battle at Union League Park today for second place in the annual high school championship series. Both teams have been defeated by Central High School, the only losses in their high school games this season. The honor of runner-up is to be decided with Eastern a lighter team, using all the speed at its command, and Tech, with a heavier aggression, pitting its brawn against the flashing Capitol Hill athletes.

Coach McCaffery, of Eastern High School, is making no prediction on the score. He bases his calculations on the fact that he has as fast a backfield as can be boasted of the high schools. In Cohill and Smith, McCaffery thinks he has the solution of the Tech problem and will use these two speedy halfbacks to the limit in the effort to win.

Tech is pinning its hopes on Eckenreiter, Davis and McKinney in the backfield, and on the light blue line of Cohill and Gibson in the line. Coach Hecox, too, is making no prediction, but says that his team will be able to overcome the lighter Easterners.

Gass to Referee.

The game is scheduled to start at 3:30. Referee Jack Gass will act in his usual capacity, while Fred Nielsen will be the umpire. It is assured that a capacity crowd will fill the park. Eastern is closely following its team, while Tech is ready to take the fight to the cheer for the Maroon and Gray players.

Today's performance will mark Eastern's last try for the year, and will be the last time that Cohill and Smith will be found in the light blue uniform. Cohill has played in but two games this season, while Smith has been one of the most brilliant of high school backs this year. Cohill and Smith were the boys who defeated Business and knocked the Orange and Blue out of the championship race. Smith ran eighty yards for a touchdown on an intercepted pass, while Cohill was the distinction of being the only high school player to successfully negotiate a dropkick in the game.

Look to White.

White, the giant Tech tackle, will be called upon to do the bulk of the work this afternoon, while Captain Eckenreiter, at center, is looked upon as being able to take the measure of the Easterners on end runs. That the game will be hard fought from start to finish goes without saying. Both teams are out for the second place position, and both mean to win.

No predictions have been made on the score. Both teams were defeated by Central High School by a single touchdown. Tech was heavier than Central, and Eastern will nearly appear Tech in weight. It will be a toss up, according to the dopsters, as to which will be able to outgame and outgeneral the other.

Joe O'Brien Announces Himself as Candidate

NEW YORK, Nov. 19.—Joe O'Brien, former secretary for the Giants, has launched his campaign to succeed Tom Lorch as president of the National League, and is believed to have three votes already, Chicago, Brooklyn, and Philadelphia. His recent trip to the West was to obtain Barney Dreyfuss' vote, and he is now actively pursuing Jim Gaffney for the Boston vote. If he obtains five votes, he will be the new president. Four will keep Lynch in his present job.

O'Brien is back in New York, closing his personal affairs with the New York club. He is also booming his campaign for the presidency. He will remain here throughout the meeting of the league next month.

Hoppe Is Expected To Win Championship

NEW YORK, Nov. 19.—It looked like Willie Hoppe as the billiard champion of the world again today. The little New Yorker, who now holds the title, made a great showing in the final game, defeating the veteran by 500 to 400, and playing his best game of the tournament.

George Sloss also defeated Koji Yamada, 500 to 351, and is tied for second honors.

Are Picking McGorty.

NEW YORK, Nov. 19.—Friends of Eddie McGorty, who fights Mike Gibbons here on December 3, were offering \$2 against 10 today that Eddie gets the popular decision over the St. Paul crack. McGorty, training in the Bronx, is appearing in the best shape now he has ever been. The advance sale for this match already has topped the \$5,000 mark.

COACH MULLIGAN SELECTS HIS TEAM

Names Athletes to Represent Georgetown at South Atlantic Cross-Country Championship—Chapman Won't Be Seen.

Coach Jim Mulligan, of the Georgetown University track team, this morning selected the squad which is to represent the Blue and Gray institution in the big South Atlantic cross-country championship which is to be held in Baltimore on December 7. As only seven men are allowed to be entered from any one team, several of the Hill-top candidates will have to enter unattached if they run, as only John Gallagher, the Olympic runner, who last year won the Yale-Harvard freshman cross-country race; Battle, who finished third in the same race; Bowles, formerly of a Pennsylvania college; Chick Lauden, one of last year's track men; Lee Lawlor, a cross-country man of experience from Coudersport, Pa.; Cook, formerly of the Toledo, Ohio, Central High School; and Donnelly, of the Troy, N. Y., High School, will be entered by the Blue and Gray management as representatives of the West End university.

It had been the intention to enter Ed Chapman, Georgetown's great quarter-miler, in the cross-country run, but it has been decided that no chances will be taken that might injure the former Fordhamite's chances of winning shorter races during the winter, and accordingly Chapman's entry has been scratched.

Entry List Large.

According to advices received from Baltimore, this year's race will be the greatest in the history of the event, as well as the entry list larger than ever before, but the caliber of the contestants is also much higher than in previous years. Teams have been entered from the majority of the South Atlantic colleges, as well as practically all the colleges of the United States. This is the first year that college teams were allowed to be entered, and it is the colleges which are of interest in the affair, but now that the ban has been lifted by the board of managers, the rule of the living champions ever held in the South over

FRANK BAKER KILLS GOLDEN GOOSE FOR BIG LEAGUE STARS

Cuban Fans Sour on Athletics Because of Their Victories.

HAVANA, Nov. 19.—The mighty slugging of Frank Baker, hero of the Big League stars, was the New York Giants and the Philadelphia Athletics, who have been playing in Havana, has soured all Cuban American baseball fans, and as soon as the present trip of the White Elephants is concluded, Cuban teams will play among themselves and never again tamper with the really good teams of the American major leagues.

It has been Baker's delight to come to bat in pinches ever since landing in this city, and send careening to the fence one of those wonderful slashing drives of his, ending the hopes of the home team to take the victory. Baker has killed the golden goose of the Cuban diamonds. Sunday's victory by the Athletics over the Almendares, the result of Baker's air-tight pitching and Baker's murderous slugging, has completely broken the spirit of the Cubans.

Cy Tiltier, the National League umpire, who has been gathering a team of National League players for a trip to this city, has been notified that the deal of the entry list of the preparatory school athletes for the hill and dale race, it is not unlikely that several school boys will be entered on the team. The race will be held on December 7. Entries have already been received from Rossmore High School and Baltimore High, and several other high schools are expected to be represented.

Three regulation A. A. U. die medals will be awarded to the three winning first, second, and third, while a team trophy will be awarded to the squad of four men making the least number of points.

The race will be run over a six and one-half mile course, starting at the Walbrook Athletic Club, and as the course is an ideal one, no condition of the weather will cause a postponement, for the roads are in excellent condition at all times. The races will start at 3:30 sharp, and should be finished by 5:30 at the latest.

GO. K. WINS ITS FIRST GAME IN GUARD LEAGUE

Admits He Is Trying to Sell His Baseball Club.

NEW YORK, Nov. 19.—Whether Horace Fogel of Philadelphia will get his wish and have the investigation of his charges against President Lynch and the staff of umpires of the National League postponed will not be determined until the managers get together on November 26. All of the club owners have received a letter from Fogel asking the delay, explaining that the Philadelphia club is on the market and the must be sold before the Lynch charges.

It has been decided, however, that the rule of the living champions must be held as planned, and then, if adjournment is believed best, a resolution to that effect must be formally adopted.

Fogel in his letter admits that he is contemplating getting out of the game, and it is certain the club owners will welcome this, as it will automatically end the proposed investigation.

RECORDS PROVE HOW TEAMS WIN

Giants Lead Both Leagues in Runs, With Total of 822, Against 799 For the Red Sox—Nationals In Nineteen-Inning Game.

By GEORGE I. MORELAND.

It takes runs to win games and it takes games to win pennants. In the record of runs scored, the New York and Boston teams, winners of the two major league pennant races, were leaders for the season of 1912. The Giants led both leagues in runs, with a total of 822, against 799 for the Red Sox. The latter team, however, led the Giants in having fewer runs scored against them. The total number of runs scored by the Giants against the Red Sox was 544, while against the McGraw crew 571 were sent across. In the runs scored by opponents the Pirates led the National League, only 65 being scored against them.

One peculiar happening in both leagues is that three clubs in each circuit led their opponents, the other five being behind on runs scored. New York, Pittsburgh, and Chicago took the honors in the National and Boston, the Athletics, and Washington in the American.

In the matter of runs scored, as stated above, New York and Boston led the two leagues; on the other hand, the other two clubs in those cities were the most runs scored them, 570, while the Highlanders were last in the American, with 422.

The eight clubs in the National scored more runs in the first inning than in the American, with 11,215, against 10,990 for the rival league.

In the total of runs scored per inning by the sixteen clubs shows some interesting facts. It shows that Cleveland scored more runs in the first inning than any other club, 119, while the St. Louis Nationals had the same number scored in the first inning.

Pittsburgh and Boston Americans were the only teams to cross the plate over 100 times in the first inning. The Giants were the winners in scoring the most runs in one inning, with 12 in the third inning. Boston Americans led in the smallest number of runs scored against them in any one inning, with 28 in the eighth inning.

In both leagues the first inning proved the best scoring session, which only shows how the teams try to get the jump by sending runs around in the opening round.

Shean Marries.

BOSTON, Nov. 19.—Dave Shean, former second baseman of the Boston National League Baseball Club and last season with the Providence club, was married today to Miss Eleanor C. Toomey, daughter of Mr. and Mrs. James E. Toomey, of East Boston. The ceremony was performed this morning in the Church of the Most Holy Redeemer.

Came Through Safely.

PHILADELPHIA, Pa., Nov. 19.—Pennsylvania's variety eleven came through the Carle contest safely, no one receiving more than bruises or scratches. Today light practice was in order after yesterday's rout, and the coaches are jubilant over the chances of winning from Cornell on Thanksgiving.

Only Twelve Left.

There are only twelve of the original world's champions left who slaughtered the clubs in 1910 left on the list.

Specific Blood Poison

Everyone realizes that this disease is a blood infection of the most powerful nature, the virus of which so thoroughly poisons the corpuscles of the circulation that its symptoms are manifested over almost the entire body. First comes a tiny sore or pimple, then the mouth and throat ulcerate, glands in the groin swell, the hair begins to fall out, skin diseases break out on the body, and even the bones ache with rheumatic pains. Only a real blood purifier can have any curative effect on a blood poison so powerful as this. S. S. S. is the greatest of all blood purifiers; it goes into the circulation and by thoroughly cleansing the blood of every particle of the insidious virus makes a permanent and lasting cure of Specific Blood Poison. If you are suffering with this disease S. S. S. will cure you because it will purify your blood and enrich its health-promoting corpuscles. S. S. S. is so absolutely safe and certain in its results that everyone may cure themselves at home and be assured the cure will be permanent and lasting. S. S. S. is a purely vegetable remedy, being made entirely of roots, herbs and barks, and it will certainly cure Specific Blood Poison in all of its forms and stages. No trace of the old trouble is left when S. S. S. cures. Home Treatment Book and any medical advice free. THE SWIFT SPECIFIC CO., ATLANTA, GA.

Cincinnati Arranges Schedule of Games

CINCINNATI, Ohio, Nov. 19.—Although a manager is yet to be named for next season, the Reds have already booked an attractive list of spring practice games, including three with the world's champion Red Sox of the American League.

The team will leave Cincinnati on March 4 for French Lick Springs, remaining there four days and then going to Mobile, Ala. They will remain in Mobile until March 25, when they will return direct to Cincinnati. On March 25, 26, and 27 they will play the New York Americans; on April 4, 5, and 6, the Boston Americans; and on April 7, 8, the Detroit Americans, opening the regular season here on April 10.
